

Kingdom Academy Accessibility Statement

Kingdom Academy is committed to ensuring that our website is accessible to as many people as possible, regardless of technology or ability. We want everyone who visits our site to have a positive, straightforward experience and to be able to access our information and services without unnecessary barriers.

What we are doing

We are working to make our website as accessible and usable as possible and aim to follow best practice and recognised standards, including the Web Content Accessibility Guidelines (WCAG) 2.1, at AA level where reasonably achievable.

Our approach includes:

- Using clear, simple language wherever possible
- Structuring content so it is easy to read and navigate
- Ensuring good colour contrast for text and backgrounds
- Making the site usable with keyboard navigation
- Providing alternative text for images where appropriate
- Designing pages to work across different devices and screen sizes

How accessible this website is

We know that no website is ever completely perfect, and some parts of this site may not yet be fully accessible. For example:

- Some older documents or third party content may not be fully accessible
- Certain interactive elements may be more difficult to navigate using assistive technology

We are actively reviewing and improving the site to address these issues over time.

Third party content

Some content or functionality on the Kingdom Academy website may be provided by third parties, such as embedded videos or booking systems. We do not always have full control over the accessibility of these services, but we aim to work with suppliers who take accessibility seriously.

Feedback and contact information

If you experience any difficulty accessing any part of this website, or if you need information in an alternative format, we would really like to hear from you.

You can contact us at:

Email: info@kingdomacademy.co.uk

Please tell us:

- The web page or feature you were trying to access
- What issue you encountered
- What format or support you need

We will do our best to respond promptly and provide a suitable solution.

Ongoing commitment

Accessibility is an ongoing process, not a one off task. Kingdom Academy is committed to regularly reviewing and improving the accessibility of our website as part of our wider commitment to inclusion, fairness and good practice.

This statement was prepared on 24th January 2026 and will be reviewed periodically to ensure it remains accurate and up to date.
